SUMMARY

Video editor and colorist with three years of editing and color grading in **Premiere Pro, After Effects, DaVinci Resolve (color and Fusion) and CapCut**. Grew my TikTok to **7.6K+ followers** on work I write, shoot, cut, grade and design myself, and keep my portfolio growing with 0FF THE PRINT, my own nightlife photo project. Wrote, directed and edited the short film *VOLUME* at Full Sail University, where I earned an A.S. in Digital Cinematography and am in the final year of the B.S. Fast on short-form; comfortable in narrative. Looking for a long-term, in-house role.

EXPERIENCE

Content Creator (on-call) | Thrift @ The Warehouse

Oct 2026 to Present

- Shoot, direct and edit photo and video on call for a resale chain with stores in San Antonio and Austin.
- Directed on-camera talent through 11 of the store's scripted promos at both Austin stores over two evenings, delivering **24 edits in 4K by the next day**. The store posted two from the first round the same afternoon, one past 2,000 plays.
- Shot the Oct 17 Fill-a-Bag sale at both Austin stores: **105 photos in two looks, 52 clips**, three edits cut the next day.

Photographer & Editor | 0FF THE PRINT, my nightlife photo project

Aug 2026 to Present

- Cut a **46-minute single-subject interview into nine finished pieces**: a long-form edit plus topic cuts and vertical clips, all from one tape, with word-synced captions, on-screen question overlays, a baked LUT look and a licensed music bed.
- Shoot and publish night venue and club coverage on available light with no flash, **color graded per frame in DaVinci Resolve** and delivered on 24 to 48 hour turnaround.

Freelance Video Editor & Colorist, part-time | Self-employed

Jan 2023 to Present

- Cut, color grade and publish short-form video weekly for TikTok, Instagram Reels and YouTube Shorts; grew to **7.6K+ TikTok followers** on retention-driven edits: hook structure, pacing, sound design, captions.
- Paid concert and interview coverage of **Andrew E. at Stable Hall** (Aug 2026), working with the label and the venue.
- Color correction and grading in DaVinci Resolve with **custom DCTL looks and Fusion composites**; built a reusable effect and transition suite for Resolve and Premiere.
- Private-event coverage delivered as graded multi-look sets; title cards and motion graphics in After Effects, Photoshop and Illustrator.

Writer / Director / Editor | VOLUME (short film, Full Sail University)

Jun 2026

- Directed a four-actor narrative short and cut the finished film; built a **scripted per-clip shot-match color pipeline** in Resolve to unify mixed footage.

Social Media & Content Creator (Intern) | San Antonio Current

Sep 2024 to Dec 2024

- The alt-weekly's on-the-ground event unit: **solo photo and video coverage** at events across San Antonio, edited and **delivered the same night** as organized 1080p/4K packages.
- Five-plus edited posts per week for Instagram and TikTok.

SKILLS

Editing: Adobe Premiere Pro, DaVinci Resolve, CapCut (desktop and mobile), multicam, short-form pacing

Color: color grading and color correction in DaVinci Resolve, custom DCTLs, LUT workflows, HDR/HLG conform, shot matching

Motion & VFX: After Effects, Resolve Fusion (keying, tracking, particles, composites)

Design: Photoshop, Illustrator, InDesign, Lightroom

Camera: Sony FX6, Insta360 Luna Ultra / X6, on-set lighting and audio, directing on-camera talent

Pipeline: Python scripting for Resolve, ffmpeg, AI-assisted workflows, Topaz upscaling

EDUCATION

Full Sail University | Digital Cinematography

Winter Park, FL

- **B.S. in Digital Cinematography, final year, expected 2027.** A.S. in Digital Cinematography, earned.
- *Coursework: Professional Camera Operation, Lighting, Audio Mixing, Post-Production Editing, Directing. Crew and creative roles on multiple Full Sail student film productions.*
